

Talk About Trees, Oregon has **FREE** programs outdoors or online!

Online Classes

Minimum participants - 15

Program Length 30-minutes

FREE interactive lessons on the following topics:

Introduction to Trees

Tree Identification

Photosynthesis

Tree Growth

Life Cycle

Seed Dispersal

Habitat

Forest Products

Reforestation

Paper Making Demonstration

Forest Careers

Tree Walks

Minimum participants - 10

Program Length 30-minutes

FREE outdoor tree walks for all schools, homeschool groups, scouts or any collection of nature-lovers. We encourage members of the same household to attend together. For non-school groups, parents are required to attend with their children. We will practice social distancing and use PPE, as needed.
